Chicken Invaders: Best Omelette Free Trial12.41 MB chicken download For centuries we have oppressed them, roasted, roasted, stewed and packaged in bread. We should know that the time will come for us to pay, and it is intergalactic chickens invading the world seeking revenge for the oppression of brothers in their world. They come out of nowhere and everywhere, only you can expel the invasion and save humanity from the eternity of service. Interim chickens hurt the solar system and tried to make sure that all planets were inhabited only by chickens but again, it was you who took the fate of the earth in your hands a stained ketchup and saved the day. But it's not over. Again, it's time to don your non-stick egg helmet and fight for our ancestors' rights to the omelette. Only you can make a difference. Will you succeed? Is the future of chicken burgers safe? Chicken Invaders 3 Xmas is a free trial software program from the arcade subcategory as part of the game and entertainment categories.
