Contact us today to speak to one of our lawyers and set up a free consultation. 1 vote, average: 5.00 out of 5 Laden... Personal A third option is to obtain your accident report in person. To do this, you must visit the Arkansas State Police Department or the local police department in the city where the accident occurred. Please note that you will need to fill out an application form in the department and pay the \$10 fee. What information do I need to obtain an accident report? No matter what method you choose, some basic information about the wreck will help you access the report faster: The name of at least one driver involved in the accidentThe date of the accident occurredThe accident report number or driver's license for any of the drivers who may request a car crash Report in Arkansas? Under Arkansas law (27-53-202) all motor vehicle accident reports made by the Department of Arkansas State Police must be open for public inspection. This means that each person can make a request, pay the \$10 fee, and access a copy of a car wreck report. There is one major exception to this law. If a minor (under the age of 18) was present in both cars, the crash report must redact the name and address of that person (blackout). In this case, the unredacted version of the report may only be given to the parent/legal guardian or the representative of the insurance company. What type of information is included in a car accident report? The level of detail in the report may vary depending on the officer who wrote it. However, you expect it to follow this general outline: Date, time, and locationDeregistrations and contact details of the drivers involved, as well as witness statements from both drivers and witnessesThe description of damage to the vehicles, including photos taken at the sceneDescription of any injuries sustained by a person involvednarrative of the officer about how the crash occurred, who he/she believes is the at-fault driver, and whether quotes were issuedDia image of the accident scene What if My Accident Report is wrong? You obtained your report, but the information in the report is incorrect. It can be difficult to change information in a car accident report, but it is possible: What to do if my accident report is incorrect in a car accident? A car accident can turn your world upside down. On top of dealing with physical pain and medical you also won't be able to work, face expensive medical bills, and struggle to get your car repaired. Financial stress can pile on top of mental and emotional stress. But if the other driver was at fault, you have options. You're not alone. Taylor King Law has a team of lawyers who will make sure you money you make for the pain you've suffered. We have been helping our friends and neighbors for over 25 years. At Taylor King Law, we treat your case as a long-distance race, not a sprint. We will always work to settle your case as soon as possible so that you have paid your bills and move on with your life, but we will never cut back or allow the insurance company to take advantage of you. Because our attorney's fee is a percentage of your settlement, if there's no settlement, there's no compensation. We will be with you every step of the way, from getting your medical bills to negotiating with the insurance company. That's our By Your Side - On Your Side Promise. Contact Taylor King Law Questions? Call us today at 1800.CAR.WRECK (1-800-227-9732), or reach our Little Rock office at 501.712.2554. You can also reach us online via our chat function or via our online contact form. You're just making a call or click away from getting the help you need. We have 5 locations in Arkansas to serve you. An initial consultation with a lawyer is both free and confidential: Arkadelphia | Small rock | Springdale | Jonesboro | Fort Smith. Search intial fatal crash summary reports by an investigating law enforcement officer. Go to State Police Fatal Crash Summaries 22 Arkansas State Police service. 22_state-police-fatal-crash-summaries The Arkansas State Police maintains the central repository of all crash reports for the state of Arkansas.
